ADVANCED PLACEMENT

Bishop Reding offers 14 different courses in the internationally recognized Advanced Placement (AP) Program - more than any other secondary school in Halton Region. AP courses offer university-level content to students at the Grade 12 level.

Bishop Reding also offers a variety of Pre-AP courses to Grade 9-11 students. Pre-AP courses are designed to challenge and prepare students for the Grade 12 AP courses and exams.

CLUBS & ACTIVITIES

Bishop Reding offers a vast list of fun and competitive clubs and activities, including Music, eSports, and the internationally award-winning DECA Business and Model United Nations clubs.

Home of the *Royals*, our popular athletic programs include Football, Soccer, Volleyball, Track & Field and Basketball.

Bishop Reding is an AP Capstone Diploma School, offering the AP Seminar and AP Research Capstone courses. Students in these courses participate in research training at the University of Toronto - better preparing them for their university programs.
