# ACADEMIC EXCELLENCY

## ACADEMICS

Christ the King offers a wide range of programs and courses that enable students to be prepared for university or college.

- Advanced Placement (AP) Program
- Specialist High Skills Major (SHSM) Program
- Science, Technology, Engineering, Art, Math (STEAM) Courses
- French Immersion

Additional course and program information: [www.ctlk.ca](http://www.ctlk.ca)

## CLUBS & ACTIVITIES

Christ the King boasts an extensive list of fun and competitive clubs including Mock Trial, DECA Business Club, Equity Team, Eco Club, Drama, Film Club and Ctk Morning News.

Home of the *Jaguars*, our popular athletic programs include Hockey, Swimming, Volleyball, Track & Field and Basketball.

## SHSM PROGRAMS

A component of all four of our Specialist High Skills Major programs is a two credit co-operative education experience. Students will find a co-op placement linked to their desired career and will be immersed in the field related to their SHSM.

### Specialist High Skills Major Programs Available

#### Arts and Culture

The Arts and Culture SHSM program focuses on knowledge specific to Graphic Design and Digital Arts. Students are taught the practical and theoretical application of graphic design skills.

#### Information and Communications Technology (ICT)

Students in the ICT SHSM program have the opportunity to specialize, gain qualifications and plan a career path in various areas of today's exciting and rapidly evolving ICT sectors.

#### Construction

Students in the Construction SHSM program will participate in projects in the diverse Construction Industry. Construction projects are built by people with skill, ingenuity and creativity.

#### Hospitality and Tourism

The Hospitality and Tourism SHSM provides students with an opportunity to gain knowledge and qualifications in various sectors of the dynamic and globally growing Hospitality industry.

### SHSM Programs Coming Soon

- Business
- Health Care
