

ST. FRANCIS XAVIER

CATHOLIC SECONDARY SCHOOL

1145 Bronte Street South
Milton, Ontario, Canada

+1 905-636-8799

@StFXSOS

Located in Milton, and built in 2013, St. Francis Xavier Catholic Secondary School is our newest secondary school.

St. Francis Xavier is dedicated to academic excellence, and prepares students for post-secondary success by offering a wide variety of experiential learning activities that provide "real world" experiences within the core curriculum courses.

Students are taught to think critically, work independently, communicate effectively, and show respect for themselves and for others. We strive to provide a safe, inclusive and welcoming school community for all students and staff.

MODERN LEARNING ENVIRONMENT

ACADEMICS

St. Francis Xavier successfully prepares students for their post-secondary studies by offering various programs and courses.

- **Specialist High Skills Major (SHSM) Program**
 - Business
 - First Responders Services
 - Fitness and Sports Leadership
 - Information and Communications Technology
- Science, Technology, Engineering, Art, Math (STEAM) Courses

CLUBS & ACTIVITIES

St. Francis Xavier offers an extensive list of fun and competitive clubs including STEAM Club, App & Development Club, Music, Model UN, Hack Club, DECA Business Club, and Art Club.

Home of the *Knights*, our popular athletic programs include Football, Soccer, Volleyball, Track & Field and Basketball.

SHSM PROGRAMS

A component of all four of our Specialist High Skills Major programs is a two credit co-operative education experience. Students will find a co-op placement linked to their desired career and will be immersed in the field related to their SHSM.

Specialist High Skills Major Programs Available:

Fitness and Sports Leadership

Students in the Fitness and Health Promotion SHSM program gain certifications in CPR, First Aid, AED and WHMIS plus three additional student elected certifications.

Information and Communications Technology (ICT)

Students in the ICT SHSM program have the opportunity to specialize, gain qualifications and plan a career path in various areas of today's exciting and rapidly evolving ICT sectors.

Business

Students in the Business Leadership SHSM program will develop problem-solving, teamwork, management and leadership skills in a business setting, and will take part in real-world business simulations.

First Responders Services

The First Responders Services SHSM focuses on the career paths of policing, paramedics and firefighters. Students will learn skills in emergency planning and preparedness and public safety and security.
