@corpuslonghorns

Located in the beautiful Orchard Park area of North Burlington, Corpus Christi Catholic Secondary School has established a reputation for excellence in Catholic education. Our academic standards are high and our students are engaged in their community and in the life of the school.

Our staff are dedicated adults who care about student achievement and well being, and are committed to creating a positive, safe and inclusive learning environment.

We offer a wide variety of clubs, teams and co-curricular activities, designed to provide students with opportunities to become engaged, contributing members of the Corpus Christi community and beyond.

We are proud of our Corpus Christi school community. The skills, values and attitudes our students acquire at school prepare our graduates for post-secondary success, and instills in them a life-long commitment to the community.

ACADEMICS

Corpus Christi has a large variety of challenging courses and programs that cater to the academic needs of each student.

- Specialist High Skills Major (SHSM) Programs
- Advanced Placement (AP) Program
- Ontario Youth Apprenticeship Program (OYAP)

Additional course and program information: www.cccss.ca

CLUBS & ACTIVITIES

Corpus Christi offers a wide variety of extra-curricular clubs and activities that allow students to develop and reach their full potential physically, socially and spiritually.

Home of the *Longhorns*, Corpus Christi athletes are involved in over 30 different sports teams and clubs. Students can choose from popular sports like Football, Soccer, Hockey, Basketball, Volleyball, Baseball, and Track & Field.

SHSM PROGRAMS

A component of all four of our Specialist High Skills Major programs is a two credit co-operative education experience. Students will find a co-op placement linked to their desired career and will be immersed in the field related to their SHSM.

Specialist High Skills Major Programs Available:

Health & Wellness

Students in the Health & Wellness SHSM program will gain knowledge of human anatomy, physiology, and human development.

Art & Design

The Arts & Design SHSM program focuses on fundamental knowledge and skills specific to graphic design and digital arts.

Business Leadership

Students in the Business Leadership SHSM program will develop problem-solving, teamwork, management and leadership skills in a business setting.

Environmental Science

The Environmental Science SHSM program teaches students about current environmental issues and helps students to develop leadership skills while promoting real-world change.

Construction

Students in the Construction SHSM program will develop skills in Architectural Design, Carpentry, HVAC, and Home Building.
